

Condole vs. Console

Some words have very similar meanings that some people tend to become confused and use them interchangeably or improperly. This is the case with the terms condole and console. Not only do they have related meanings, their spellings are also set apart by a single-letter difference. This post will try to identify their differences to help you use them more accurately in your writing.

The word condole is most commonly used as an intransitive verb meaning “to express sympathetic sorrow” or “to express sympathy for someone.”
