### Notes

Do, does and did are used to form questions in the simple present and simple past tenses. Do is used in the simple present tense when the subject is a plural noun. Do is also used with the pronouns I, you, we and they.

Does is used in the simple present tense when the subject is a singular noun. Does is also used with the singular pronouns he, she and it.

Did is used in the simple past tense with both singular and plural nouns and pronouns.

Have, has and had are used to form perfect tenses.
