Answers

You can't gain access unless you are a member.

You can't go to their party except if you are invited.

I will go only if I am invited.

I will watch a movie in the afternoon unless I have some urgent work to do.

In America, unless you have a car, it is not easy to get about.

'Should we tell her?' 'Not unless / Only if she asks.'

We can take a cab to the beach - unless you want to walk.

You can borrow my camera as long as you promise to handle it with care.

Traveling by car is inconvenient if you do not have a place to park.

As long as the room is clean, I don't care whether it is 2 star or 5 star.

Provided that the weather is good, we will go for a swim in the afternoon.

12. We cannot go out except if / unless it stops raining
